

Activity sheet

Make a paper washing line.

It's washing day! Make a simple washing line and attach paper clothes to it.

Adult supervision essential

Involve and talk with your child as much as possible.

WASHING LINE

You will need:

- a copy of activity template
- crayons, textas, etc. for decorating
- tape
- scissors
- long piece of wool

Instructions

1. Colour in the different clothes and cut out.
2. Tape clothes to a piece of wool like they're hanging out to dry.
3. Hang up like a mobile. You may like to hang it outside somewhere to flap in the breeze.

Idea

Let your child help you do the washing. Show them how to put the clothes into the machine.

You could set up a low washing line and show your child how to use the pegs.
