

Ringtail possum

Have fun making a ringtail possum you can hang up by its tail!

Adult supervision essential

Involve and talk with your child as much as possible.

You will need:

RINGTAIL POSSUM

- Paint, textas, etc., for decorating
- Pipecleaner
- Sticky tape
- Scissors

Instructions

1. Colour in the possum template and cut out.
2. Attach a pipecleaner for the tail.
3. Curl the pipecleaner so the end of the tail is like a hook. Now you can hang the possum up.

Ideas

You could make a family of possums. Go outside and find a dead tree branch on the ground. Bring it inside and hang the possums up on that.

You may like to take your toddler to the zoo and show them the possums. Talk to them about what they eat and why they have such large eyes.
