

SING – A IS FOR AUSTRALIA

Author and illustrator, Frané Lessac.

Changing words to favourite or well-known songs can be lots of fun. Songs that have actions encourage dancing and movement which support math skills such as counting a beat, keeping to a rhythm, directions such as left and right, up and down, across, and around, forwards and backwards.

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily, merrily
Life is but a dream!

Ski, ski, ski the slopes
In a field of snow
Left, right, left right,
How fast can you go?

Fly, fly, fly a kite
Down at Bondi Beach
Run along and watch it soar
Straight up out of reach!

Sail, sail, sail your yacht
Straight across Lake Eyre
Spot a pretty pelican
Flying 'round with flair!

Other Aussie Songs to sing:

- *Waltzing Matilda*
- *Kookaburra sits in the old gumtree.*
