

## Theme: Counting and Numbers

### Book title: ONE WOOLLY WOMBAT

By Kerry Argent

## 123 Action!

### You will need:

- Hoops, non-slip placemats or mark out some squares on the ground using chalk or masking tape.
- Bean bags, or socks or newspaper rolled up in ball.

### Instructions:

1. Mark out 3 shapes by using chalk, or laying out hoops or placemats.
2. Stand a few steps away and show your child how to gently toss a bean bag or sock ball into one of the shapes. Count each throw and also how many land inside and outside.

**Adult supervision is essential. Involve and talk with your child as much as possible.**

### Ideas:

Spread the hoops further apart, or stand further back to make it more of a challenge.

Count as your child jumps or hops into each shape, and back again.

Try standing a few steps back from an empty nappy box to throw your beanbags/sock balls in.

### Songs:

*One Two Three Four Five, One Two Buckle My Shoe, Five Little Ducks Went Out One Day, Five Little Monkeys Jumping On The Bed, Ten In The Bed.*

**Key Message: Children are born ready to use and learn mathematics**
