THIS IS THE WAY WE GO TO SCHOOL

By Yu-hsuam Huang

This is the Way We Go to School is a bright, slider board books, that can be 'read' or sing along to the tune of popular nursery rhyme, Here We Go Round the Mulberry Bush. Every page is fun, colourful and cheerful and the interactive moving parts in this book will absolutely delight toddlers.

This is the way we get ready in the morning

You will need:

- You and your child.

Hints and Tips for a morning routine:

- Using song is a fun way to describe what needs to happen to get ready in the morning.
- Take photos of your child during their morning routine – eating breakfast, getting dressed, and brushing their teeth for example and put them in a place where they can see the steps.
- Talk about what you need to do first, next and after. Use language to describe the time of day, for example “we have to eat breakfast first before we get ready to head out for the day. Later in the afternoon we will come home for lunch”.

Adult supervision is required at all times when children play or are around water.

STEM Focus

Concepts of time can be learnt through routines. Consider the language you use to describe time – now, later, before. Morning, afternoon and evening, yesterday, tomorrow, today. Using words to explain and describe time helps children to develop their understanding and makes future learning possible.

Songs to sing

Here We Go Round the Mulberry Bush, *Frère Jacques* and *Wash Your Face with Orange Juice*.

Key message:

The first five years matter and last a lifetime.

*You can introduce simple Science Technology, Engineering & Maths (STEM) concepts to children aged 2+ years through every day play.
