LEAFY TREE

You will need:

- a copy of activity template
- crayons, textas, pencils, for decorating
- scissors
- glue

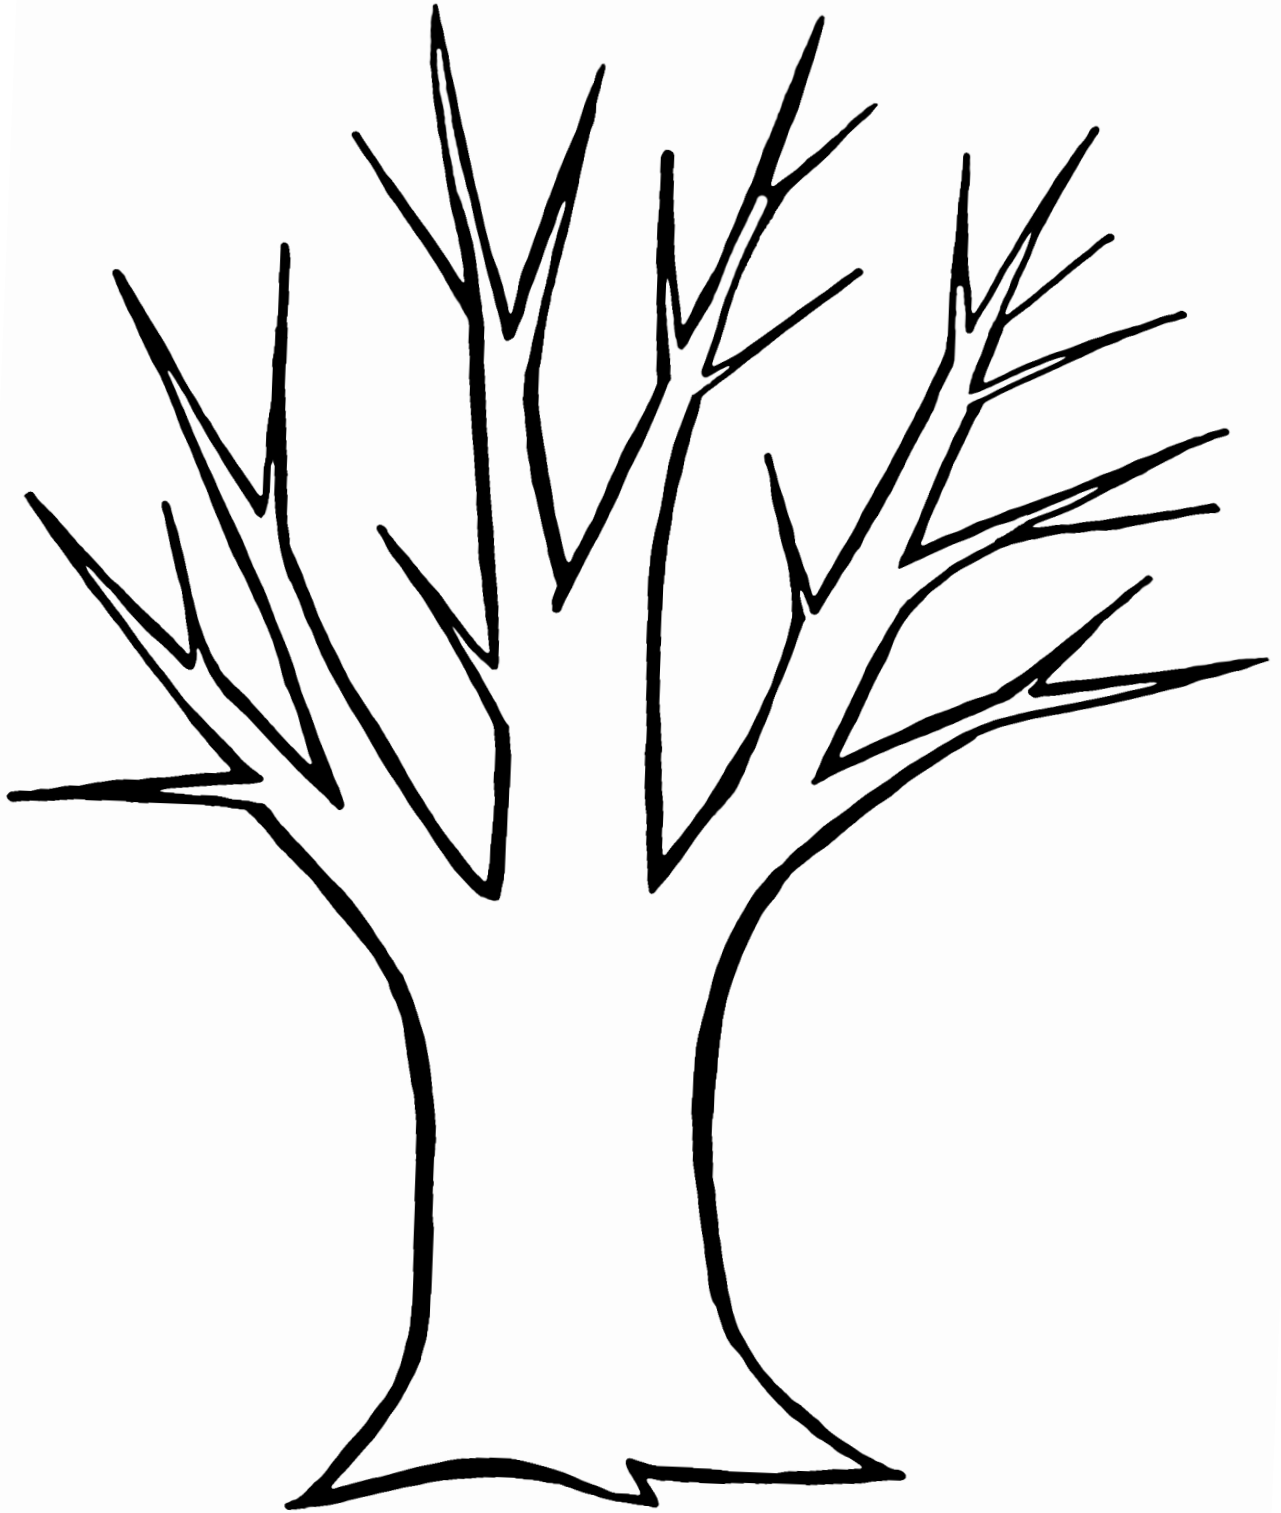

Instructions

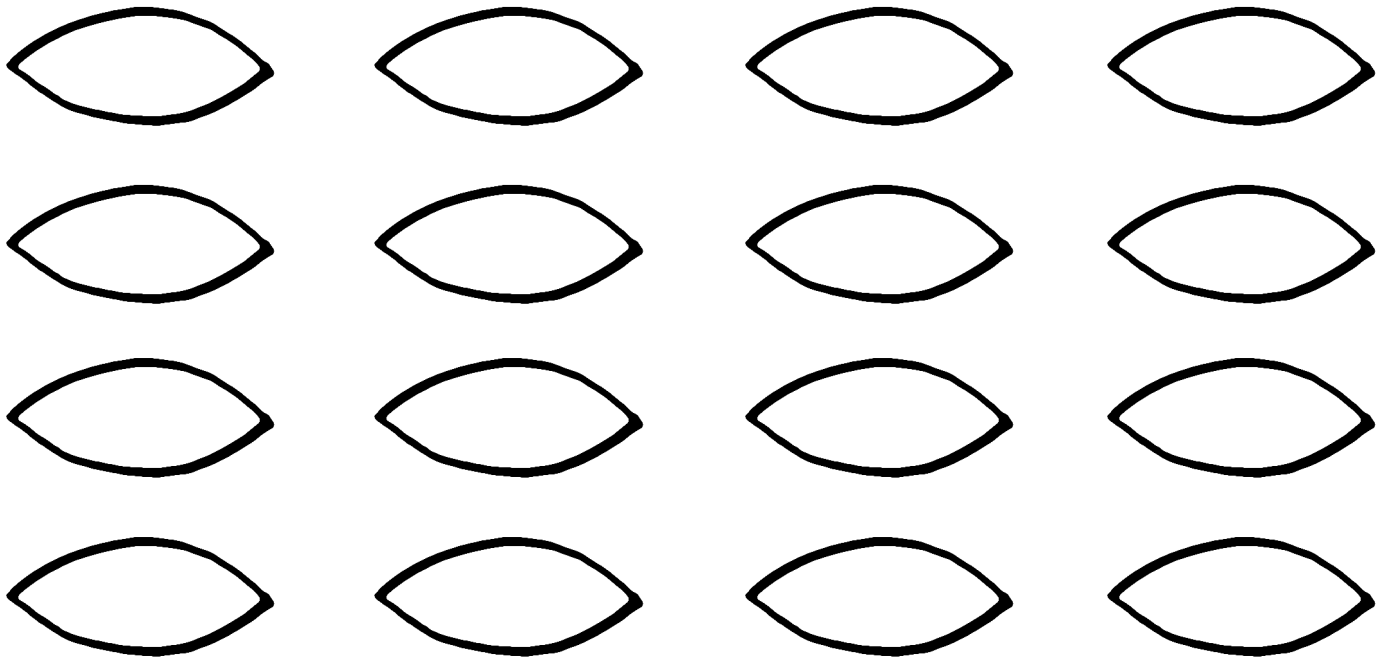

1. Colour in the leaves and cut them out.
2. Glue the leaves onto the tree.
3. You could draw other things on the branches like extra leaves, flowers or fruit or even a bird or a cat.

Ideas

Decide what season the picture is. If it's an autumn tree the leaves can be orange and yellow. If it's spring, the tree could be in flower.

Borrow a book on seasons from the library. Talk to your child about how some trees change with the seasons.
