

**STARRY IDEAS**
**So many stars.**

Make lots of things with stars.

**Adult supervision is essential when making and playing with home made toys.**

Involve and talk with your child as much as possible while creating this activity.

**You will need:**

- a copy of activity template
- paint, textas, pencils, for decorating
- popstick
- pipecleaners
- black or dark blue A4 paper
- glitter & star stickers
- scissors
- glue

**Instructions**
**Shooting star**

Colour in a large star and two smaller ones.

Cut a pipecleaner in half. Tape a small star to the end of each piece of pipecleaner and then tape them to the back of the large star. Hang the stars up with a piece of string if you wish.

**Wand**

Cut a large star out of heavy coloured paper or cardboard. Decorate with glitter and tape a popstick to the back.

**Star picture**

Start with a piece of black or dark blue paper as a base. Colour in and cut out some stars and glue them to the paper. Sprinkle some glitter on too and maybe a few shiny star stickers.

**A star as a gift**

Colour in a star and give it to someone special. You could even write their name on it.
