

SING – MRS MOLE, I'M HOME!

Author and illustrator, Jarvis.

Use your hands to hold up 5 or 10 fingers for counting songs. Using hands and fingers is a good way for children to practise counting. Have fun with songs that count up from one to five or ten, and then back down again.

5 Little Moles

(sing to the tune of *5 Little Ducks*)

5 little moles went out one day,
Digging down in the ground and far away,
“Come back! Come Back!” Mr Mole groans
But only 4 little moles came home!

4 little moles went out one day,
Digging down in the ground and far away,
“Come back! Come Back!” Mr Mole groans
But only 3 little moles came home!

3 little moles went out one day,
Digging down in the ground and far away,
“Come back! Come Back!” Mr Mole groans
But only 2 little moles came home!

2 little moles went out one day,
Digging down in the ground and far away,
“Come back! Come Back!” Mr Mole groans
But only 1 little mole came home!

1 little mole went out one day,
Digging down in the ground and far away,
“Come back! Come Back!” Mr Mole groans
That day 5 little moles came home!
