

## Wind mask

Your child can pretend to be the wind once they've helped you make this mask.

### Adult supervision essential

Involve and talk with your child as much as possible.

## WIND MASK

### You will need:

- Piece of thin cardboard - cereal box is ideal
- Scissors
- Craft knife\*
- Pencils, textas or paint for decorating - optional
- Sticky tape or glue
- Lengths of ribbon or wool

### Instructions

1. Glue the cloud shape onto the piece of cardboard.
2. Cut out around the cloud shape and cut out eyes and mouth.
3. You may like to decorate the cloud using paints, etc. or you could glue cotton wool and glitter.
4. Attach lengths of ribbon or wool approximately 10cm long around the mouth. Glue or tape ribbon to the inside of the mouth and pull through hole.
5. Let your child hold the cloud up to their face and blow through the mouth, blowing the ribbon forward.

### \*WARNING

**Craft knives must only be used by an adult.**

The blade must be retracted when not in use. Do not let your child play with the knife.
